- 1) give me a list of characters that fit well in this philosophical niche
- 2) I choose " " Give me an image prompt so I can generate a profile picture in Leonardo

## **Script Prompt**

Create a compelling YouTube video script for a monk who gives life lessons with an eye-catching video title and give me engaging with call to action video description.

the topic of this script is: {INSERT YOUR TOPIC HERE}

Write a unique script that conveys valuable advice and insightful stories, seamlessly weaving together related phrases without separate phrases or disconnected ideas. The script should be 4-5 minutes long engaging, informative, and easy to follow, with a clear structure and flow. Incorporate the monk's wisdom and anecdotes to make the content relatable and memorable. The goal is to inspire viewers to reflect on their priorities and make the most of their time, with a focus on self-reflection, personal growth, and mindfulness. The script should be comprehensive, covering key life lessons and experiences that the monk has learned throughout his journey, with a conversational tone that makes the audience feel like they're having a direct conversation with the monk himself. The video should aim to inspire a sense of calm, contemplation, and introspection.

## **Visual Prompt**

provide me with 20 text prompts that I will use to generate images in Leonardo AI. I want the pictures to be super vivid, colorful, 3d, and hyper-realistic, keeping in mind that give me prompts that show one scene in this script and follow the wisdom and philosophical theme, so the pictures have to be filled with wisdom. and give me the same style of image prompt and follow the same theme.
